1987 EDITORIAL INDEX

TITLE — MONTH

AIR POLLUTION CONTROL

Environmental Software Review—1987 ..... Jan.
Source Testing Calculations Using a Simple Calculator Program ..... Jan.
Management of Environmental Information ..... Jan.
Catalyst Sweetens Natural Gas Problems ..... Jan.
Hazardous Waste Treatment Update ..... Feb.
Crisis Management: Preparation Checklist ..... Feb.
Vacuum VOCs from Soil ..... Feb.
Designing Financing Solutions ..... Feb.
99% Hydrogen Sulfide Emissions Cut with Chelated Catalyst . Feb.
Asbestos Hazard Management ..... Mar.
Hazardous Waste Treatment Technologies ..... Apr.
Environmental Auditing: A Basic Guide ..... Apr.
Special Foam Helps Remediate Landfill Fires ..... Apr.
Remove Organics from Groundwater with Air Stripper ..... Apr.
PC Program for Method 5 Stack Testing ..... June
Toxic Air and Water Measurement ..... June
Ice-Free Pond Prevents Odor and Maintenance Problems ..... June
Broken Bag Detection for an Asphalt Plant ..... June
Hazardous Waste Treatability ..... July
Cogeneration for Energy Self Sufficiency and Profit ..... July
Scrubbers Eliminate Odors at Chatauqua Institution ..... July
Solvent Distillation Equipment Saves Company Thousands ..... July
PE 5-Star Award Competition ..... Aug.
Solvent Recovery ..... Aug.
PCB Destruction by Incineration ..... Aug.
Pre-Combustion Coal Cleaning Reduces Air Pollution ..... Aug.
Regenerative Incineration Limits Solvent Emissions ..... Aug.
VOCs Cleaned from Groundwater by Use of Air Stripper .... Aug.
Scrubber & Ventilation System Solves Toxic Fume Problem . Sept.
Used Bag Filter Capacity Increased 150 Percent ..... Sept.
New Valves Improve Process Control & Sealing Problems .... Sept.
Separator/Filter System Over 95 Percent Effective ..... Oct.
Cartridge Filter for Hazardous Dusts ..... Oct.
In-House Solvent Recovery Minimizes Waste in Body Shop ... Oct.
Resource Recovery; A Special Report ..... Nov.
PM-10 Regulations ..... Nov.
The New Environmental Protection ..... Nov.
Using a Computerized Spreadsheet ..... Dec.
Plastic Blast Media: An Alternative to Chemical Stripping .... Dec.
Winners of the PE 5-Star Awards ..... Dec.

COATINGS, LINERS AND CONSTRUCTION MATERIALS

Environmental Software Review—1987 ..... Jan.
The New Superfund: Summary of its Reauthorization ..... Jan.
Taking Seriously the Reduction of Hazardous Wastes ..... Jan.
Stadium-Size Underground Tank's Leaking Problem Solved ... Jan.
Conveyors Twist to Take Mystery Out of Treatment ..... Jan.
Catalyst Sweetens Natural Gas Problems ..... Jan.
Hazardous Waste Treatment Update ..... Feb.
UST's and Corrosion Science ..... Feb.
99% Hydrogen Sulfide Emissions Cut with Chelated Catalyst . Feb.
Grit Chambers Restored with Chemical-Resistant Cement .... Feb.
Recycle Construction Waste and Reduce Landfill Volume .... Feb.
Asbestos Hazard Management ..... Mar.
Packaged System Treats Landfill Leachate ..... Mar.
CMP Designs Facility for PCBs ..... Mar.
Removing Trace Elements from Power Plant Wastewater .... Mar.
Combining UV/Ozone to Oxidize Toxics ..... Mar.
Preview of International Congress ..... Apr.
Hazardous Waste Treatment Technologies ..... Apr.
Environmental Auditing: A Basic Guide ..... Apr.
Batch Treatment of Electroplating Wastes ..... Apr.
Anti-Slip Protection is a Must! ..... Apr.
Passing the Test of Time ..... Apr.
Fast Reaction for Fast Action ..... May
Landfill Makes Par ..... May
A Garage Adds Years to Sewage Treatment Plant ..... May
Lessons to be Learned from a Spill ..... June
Energy Conservation for Treatment Facilities: Part I ..... June
New Bung Clearance Drum Deheader Safely Opens 140 Drums/Day ..... June
Quantitative Risk Evaluation of Underground Storage Tanks . July
Preview of the Haztech Show ..... July
Underground Tank Removal ..... July
Hazardous Spill Containment and Collection ..... July
Energy Conservation for Treatment Facilities: Part II ..... July
Cogeneration for Energy Self Sufficiency and Profit ..... July
Scrubbers Eliminate Odors at Chatauqua Institution ..... July
A Review of Double Liner Systems ..... July
PE 5-Star Award Competition ..... Aug.
Solvent Recovery ..... Aug.
PCB Destruction by Incineration ..... Aug.
Regenerative Incineration Limits Solvent Emissions ..... Aug.
Wastewater Treatment Plant Experiences Rejuvenation ..... Aug.
Egg-Shaped Anaerobic Digestors ..... Sept.
Boosting Treatment Pond Performance ..... Sept.
Used Bag Filter Capacity Increased 150 Percent ..... Sept.
Teflon Coating on Filter Scavenger Aids Cleanup ..... Sept.
New Valves Improve Process Control & Sealing Problems .... Sept.
120-in. Ocean Outfall Meter Installed ..... Sept.
Separator/Filter System Over 95 Percent Effective ..... Oct.
Curtain Enclosures Guarantees Noise Reduction ..... Oct.
Cartridge Filter for Hazardous Dusts ..... Oct.
In-House Solvent Recovery Minimizes Waste in Body Shop ... Oct.
Multistep Process for Waste Minimization and Material Recovery ..... Nov.
Teflon Centrifugal Pump Handles Corrosive Chemicals Safely Nov.
Plastic Blast Media: An Alternative to Chemical Stripping .... Dec.
Winners of the PE 5-Star Awards ..... Dec.
Sludge Treatment and Disposal ..... Dec.

COMPUTER AND DATA SYSTEMS

Environmental Software Review—1987 ..... Jan.
Source Testing Calculations Using a Simple Calculator Program ..... Jan.
The New Superfund: Summary of its Reauthorization ..... Jan.
Taking Seriously the Reduction of Hazardous Wastes ..... Jan.
Management of Environmental Information ..... Jan.
Hazardous Waste Treatment Update ..... Feb.
Selecting a Composite Computer Terminal ..... Feb.
Automated Polymer Feeding Replaces Settling Ponds ..... Feb.
Packaged System Treats Landfill Leachate ..... Mar.
Preview of International Congress ..... Apr.
Environmental Auditing: A Basic Guide ..... Apr.
Adequate Health Surveillance for Hazardous Chemical Exposure ..... Apr.
Energy Conservation for Treatment Facilities: Part I ..... June
PC Program for Method 5 Stack Testing ..... June
Toxic Air and Water Measurement ..... June
Preview of the Haztech Show ..... July
PE 5-Star Award Competition ..... Aug.
Risk Reduction Resource Recovery ..... Aug.
Network 90 System Controls Wastewater Treatment ..... Sept.
Resource Recovery: A Special Report ..... Nov.
Using a Computerized Spreadsheet ..... Dec.
Geostatic Database for Hazardous Waste Estimation ..... Dec.
